

Shaw's Pleasant Acres

SIXTH ANNUAL

BIG FEMALE and CALF SALE

AT THE FARM

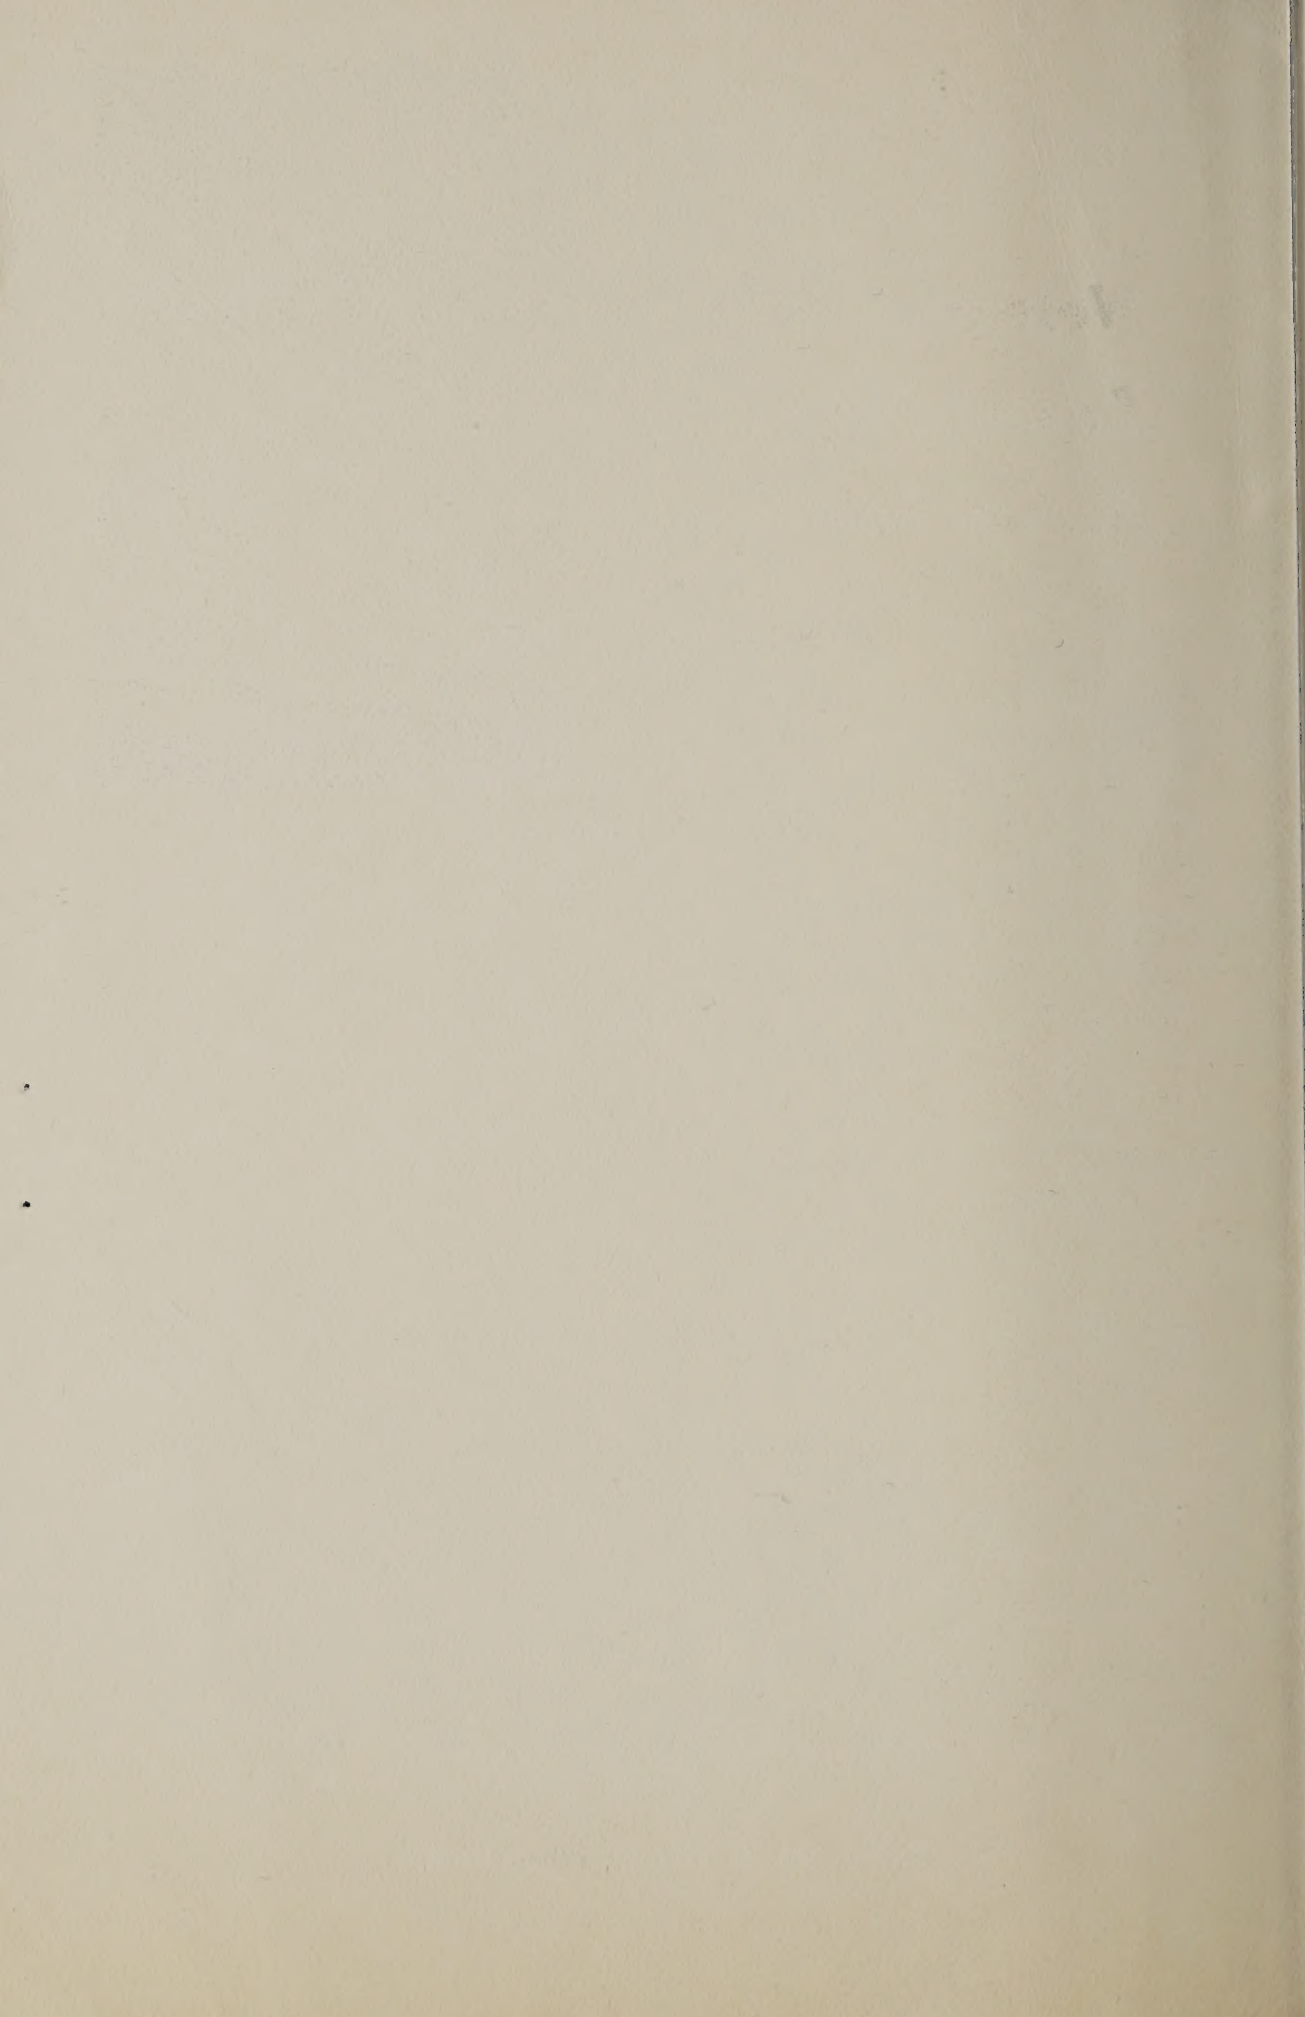

TRIMBLE, MISSOURI

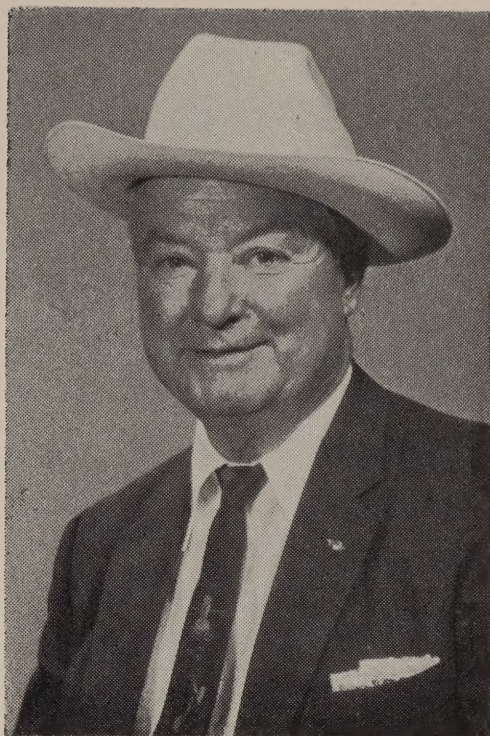

**OCTOBER 16,
1965**

*take to the road
... follow these
signs!*

100 HEAD SELL

Welcome To Our Sixth Annual Sale . . .

I always look forward to the first Saturday of the American Royal as it is the day that we welcome Shorthorn breeders, friends, and neighbors to our annual sale of club calves and females.

We are proud to have associated with us in this sale our good neighboring breeders . . . C. H. Houghton, Jr., Polo; Floyd Price, Gower; KarBurn Farms, Harrisonville; Schreiber Farms, St. Joseph; Harold and Edmund Taylor, Ridgeway, and Howard Grant, Belton. The club calves and females from these herds, together with some of the best steers and females we have ever offered, make this our strongest sale to date.

The record of breed and interbreed championships made by calves purchased in our previous sales convinces us that we are producing the kind that critical judges are looking for. The show and sale record of our guest consignors would further indicate that this sale contains some of the breed's most successful bloodlines.

We welcome YOU to our sale on Saturday, October 16th. We think you'll like the offering. But regardless of whether you buy or not, we'd be mighty pleased to have you come and pay us a visit anyway.

GEORGE J. SHAW

Shaw's Pleasant Acres
Trimble, Missouri
Phone Smithville TR 3-2075
Area Code 816

Build On A SHAW Foundation

General Information

TIME and PLACE—Saturday, October 16th, at 1:00 p.m., at Shaw's Pleasant Acres, located 5 miles East of Trimble, Missouri. From U.S. Highway 169 follow the Trimble Wildlife Area signs and go to the East side of the Wildlife Area where you will see the gate entrance to Shaw's Pleasant Acres. (See map elsewhere in this catalog.) Trimble is located 30 miles North of Kansas City on U.S. 169. There will be roadside markers in the vicinity of the farm.

GUARANTEE—All cattle in this sale will be sold under the standard guarantee of the American Shorthorn Association. Certificates of registry and transfer will be furnished. Calfhood applications will be supplied for calves in dam.

HEALTH—All cattle will be TB and Bangs tested and official calfhood vaccination for Bangs disease has always been practiced. All cattle are guaranteed to comply with the health regulations of any state or territory to which they may go.

TERMS—The terms of the sale are cash. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but we will assist in loading and helping owners obtain transportation. Arrangements can be made to leave cattle for a reasonable period of time to allow buyers to complete transportation plans from their homes.

ANNOUNCEMENTS — Any changes from information of any kind in this catalog will be announced from the auction box and such announcements shall take precedence.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, ringmen, or sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the sellers, or the hosts, accept any liability for injuries that may occur. Accidents at sales are rare but each person attending does so at his or her own risk.

AUCTIONEER—Dick Kane, Wisner, Nebraska.

FIELDMEN—C. D. Swaffar, secretary, American Shorthorn Ass'n., 8288 Hascall St., Omaha, Nebr.; Duane Dietz, Drovers Telegram, Kansas City, Mo.; Mike Wilson, Kansas Farmer, Effingham, Kans.

SALE MANAGER—Bill Stunkel, 1228 N. Nye Ave., Fremont, Nebr.

LUNCH—Will be available at the farm on sale day.

Floyd Price

Steers — Lots 89 to 96

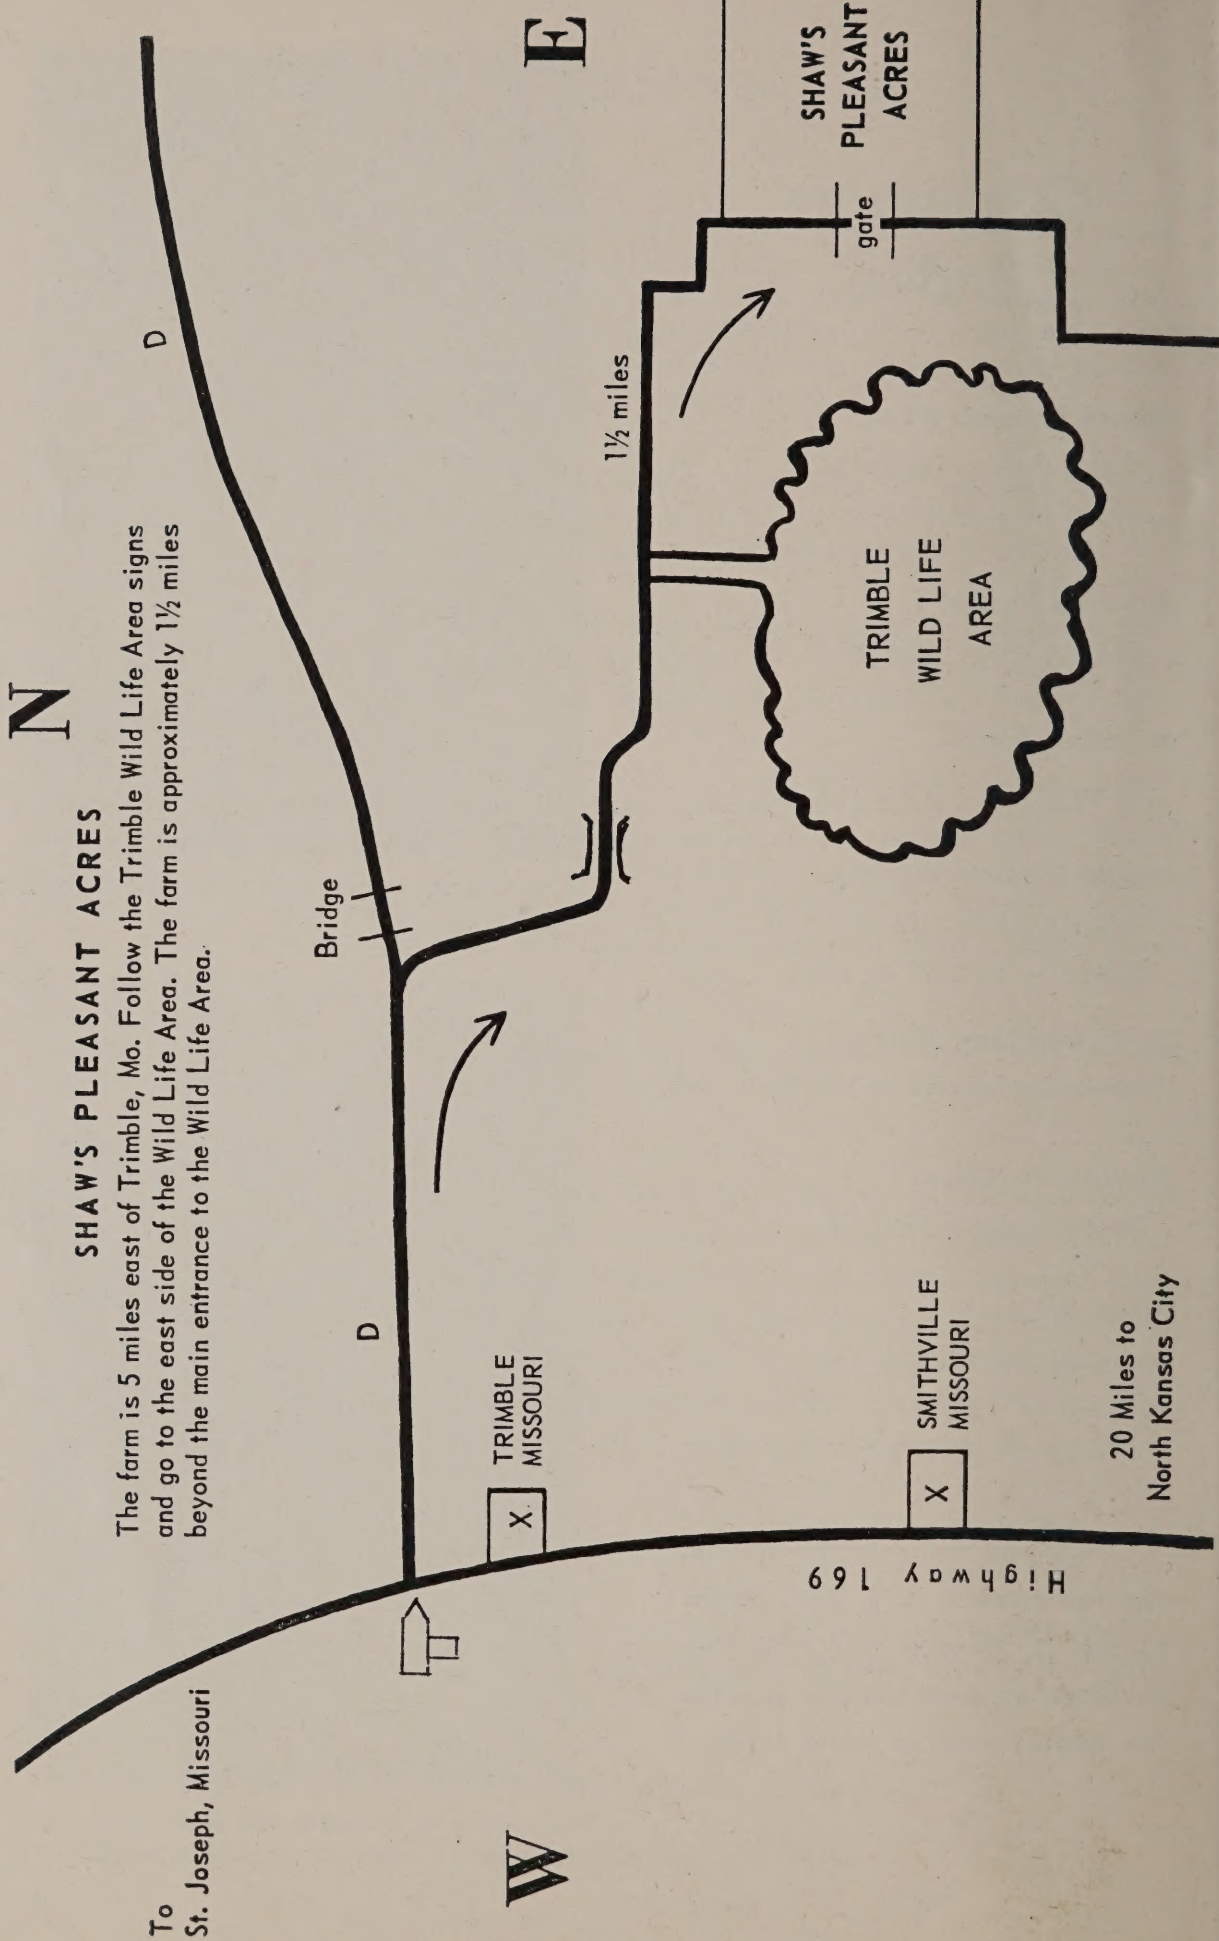

This sale will contain some of the top females and steer calves to sell in Missouri this Fall. The purchase of good females is often the turning point in many herds.

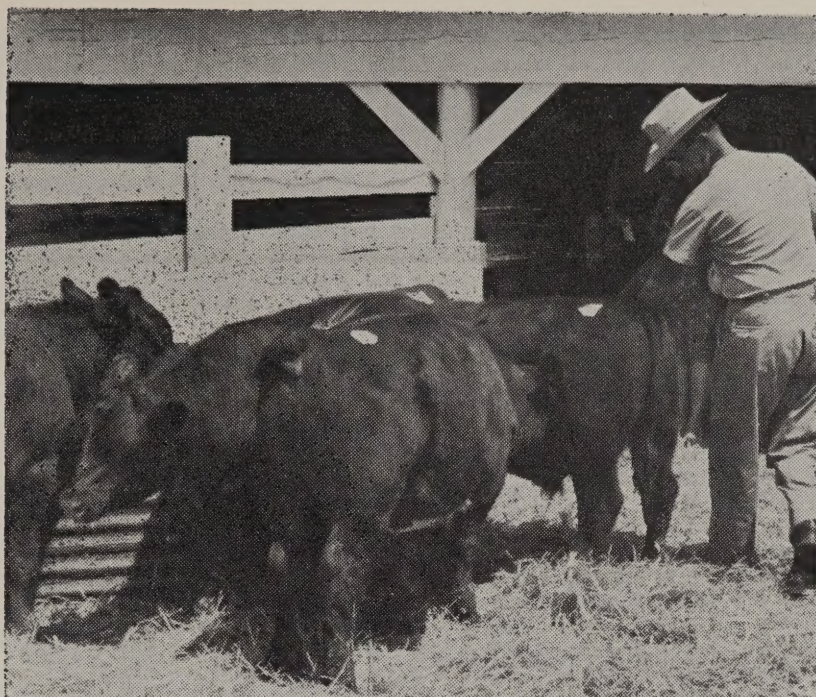

A few of the good cows in the Schreiber Farms herd.

These cows indicate the quality in the Kar-Burn herd.

These quality club calves, indicate the strength of the Shaw's Pleasant Acres productions and are typical of the quality being offered again this year.

HICKORIES ENSIGN

KarBurn Farms is proud to join Shaw's Pleasant Acres in this invitational sale again this year. Our consignment of 9 open and bred heifers are a well bred group that will make good foundation purchases for anyone. Our sale cattle last year were well received and went to well established herds where they have done well. Buyers can again feel confident that this year's offering is right from the "heart" of our herd and are the right kind.

LOUADA PRINCIPAL . . .

A son of Calrossie Armada. Principal has sired numerous sale and show winning sons and daughters for Down Farms, Wyoming, Ill. Lot 17 is a daughter.

Harold and Edmund Taylor . . .

Making their first consignment to this sale. The Taylors have been consigning good Shorthorns to the Northwest Missouri Shorthorn Sale for years.

Melbourne Revolution by Calrossie Diamond is the latest herd sire in the Harold and Edmund Taylor herd. He is typical of the quality sires that have been used by this firm.

Buyer:				
100	Roan	1-20-65	Shaw's North Star	Winifred Sue 2d
Buyer:				

**BRING THIS CATALOG TO THE SALE WITH YOU . . .
BUT MOST IMPORTANT, COME YOURSELVES !**

Two more young breeders who have made an impressive start in the purebred Shorthorn business via the steer calf route. They are Kendrick and Sherman Berg shown here with their reserve champion and champion steers at a former National Western Show. Sherm is now junior activities director for the American Shorthorn Ass'n.

Now Is A Good Time . . .

To start a registered Shorthorn herd. If you are a junior member, the opportunities are limitless for those with the desire and energy to succeed. If you are a veteran cattleman, now is the time to improve and expand your herd.

The trends at beef cattle sales clearly indicate that more and more commercial cattlemen are turning to Shorthorn bulls for improvement. It is a well known fact that Shorthorns are "The Great Improver." Their superior gaining ability, their docility, the milking and mothering qualities of the cows, and the breed's freedom from serious genetic problems makes it the breed with extra built-in profit.

This sale will offer many opportunities . . . 39 to be exact . . . to start with the right kind.

Standard Guarantee

OF AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. All animals are sold to comply with the laws regulating tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animals is bid off.
